FIM Trial World Championships & Prizes

2021 Calendar, UPDATE 25 August

Great Britain TrialGP cancelled

The Great Britain TrialGP – scheduled for Tong on October 8-10 – has been cancelled due to various current difficulties and restrictions.

Thanks to a big effort from the FIM, the manufacturers, teams and the Portuguese organiser of the Trial des Nations, the two days of TrialGP and Trial2 competition initially planned for Great Britain will now be replaced with a single day's action alongside the TrialGP Women and Trial2 Women classes the day before the TdN at Gouveia on September 18.

Unfortunately, the two Trial125 events at Tong will not be replaced and therefore the series will conclude this coming weekend at the second French TrialGP of the season at Cahors.
